1st International Conference

on Life Sciences and Multidisciplinary Healthcare Approaches (ICLSMHA-2026)

Theme : "Bridging Science and Practice: Multidisciplinary Approaches to Health and Wellbeing"

Hybrid Conference: In Person + Online

Organized By : World Citi Colleges, Philippines and Confworld Educational Research and Development Association

ISBN: 978-52-951719-1-8

14 - 15 May, 2026 | Manila, Philippines

HEALTHCARE

Welcome to ICLSMHA-2026

We are delighted to invite researchers, academicians, healthcare professionals and industry experts from around the globe to join us at ICLSMHA-2026, where innovation meets collaboration. This international platform is designed to foster dialogue, share cutting-edge research and explore interdisciplinary strategies that shape the future of health and life sciences. This conference is committed to addressing pressing global health issues by embracing innovative, multidisciplinary approaches across biotechnology, public health, environmental science and medical research. Engage with thought leaders, present groundbreaking work and be part of transformative conversations that inspire progress in healthcare. Let us come together to bridge scientific discovery and practical application in advancing health, sustainability and global wellbeing.

Conference Theme

Bridging Science and Practice: Multidisciplinary Approaches to Health and Wellbeing

The International Conference on Life Sciences and Multidisciplinary Healthcare Approaches (ICLSMHA-2026) centers on the critical integration of life sciences, healthcare and allied disciplines to address complex global health challenges. This theme emphasizes the importance of translating scientific innovation into real-world healthcare solutions through cross-disciplinary collaboration."

Purpose of the Conference

The International Conference on Life Sciences and Multidisciplinary Healthcare Approaches (ICLSMHA-2026) centers on the critical integration of life sciences, healthcare and allied disciplines to address complex global health challenges. This theme emphasizes the importance of translating scientific innovation into real-world healthcare solutions through cross-disciplinary collaboration."

Key Highlights

- Keynote Speeches by Global Experts
- Interactive Panel Discussions
- Research Presentations and Workshops
- Networking Opportunities
- Publication Opportunities
- Global Perspectives on Sustainability
- Best Paper & Presentation Awards
- Conference Proceedings & Indexed Publication Opportunities

info@cerada.in +91 8072381719 https://iclsmha.cerada.in/

Who should attend ICLSMHA?

Researchers and Academicians

Medical and Healthcare Professionals

University Students & Scholars

Industry Professionals

Technology Experts & Innovators

Policy Makers and NGO Representatives

Educators, Trainers & Social Workers

Why Join us at ICLSMHA - 2026 ?

Engage with Experts

Explore Cutting-Edge Research

Foster Collaborations

Participate in Dynamic Sessions

Shape the Future of Healthcare

Experience a Vibrant Host City

Session Tracks/Call for Papers

ICLSMHA-2026 offers a diverse array of session tracks designed to provide comprehensive insights and foster discussions across various disciplines.

We invite researchers, academicians and professionals to submit their papers. Topics of interest include, but are not limited to:

Session 1: Pharmacology and Toxicology

- Pharmacogenomics: Tailoring Treatment Through Genetic Profiling
- Pharmacokinetics, Safety and Adverse Drug Reactions
- Natural Products and Phytochemicals in Drug Development
- Impact of Environmental Exposures on Human Health
- Pharmaceutical Microbiology and Biotechnology
- Pharmaceutical Product Development and Manufacturing
- Pharmaceutical Safety and Global Regulatory Frameworks
- Pharmaceutical analysis and Quality Assurance

Session 2: COVID-19

- COVID-19 Drug development
- COVID-19 Vaccine development
- Drug discovery strategies to fight COVID-19
- Pharmacologic treatments for COVID-19
- COVID-19 Drug delivery system
- COVID-19 impact on World-wide Pharma Companies

Session 3: Emerging Frontiers in Life Sciences and Cross-Disciplinary Innovation

- Advances in Biotechnology and Genetic Engineering for Human Health
- Advances in Biotechnology and Genetic Engineering for Human Health
- Structural Biology and Biophysics: Insights into Molecular Mechanisms
- Environmental Biology and Their Influence on Public Health
- From Lab to Life: Accelerating Translational Research in Health Sciences

Session 4: Smart Technologies and Digital Innovation in Healthcare and Life Sciences

- Artificial Intelligence and Machine Learning: Transforming Biomedical Discovery
- AI and Big data in Infectious Disease Management
- Remote Healthcare Delivery: Advances, Opportunities and Challenges
- Smart Wearables in Health Monitoring and Chronic Disease Management
- Blockchain Applications in Healthcare and Data Integrity
- Data Privacy and Cybersecurity in Connected Healthcare Systems

Session 5: Healthcare and Medicine: A Multidisciplinary Perspective

- Medicine and Genomic Approaches in Patient Care
- Integrative Healthcare: Merging Traditional Wisdom with Modern Science
- Next-Generation Diagnostics and Advanced Therapeutic Strategies
- Breakthroughs in Pharmaceutical Innovation: Drug
- Discovery and Delivery Systems
- Bioethics and Responsibility in Modern Healthcare Practice

Session 6: Public Health, Policy and Epidemiology

- Global Health Strategies for Equitable and Sustainable Development
- Health Equity Through Policy: Bridging Gaps in Access and Outcomes
- Epidemiology in Action: Understanding Disease Patterns and Effects
- Preventive Health and Community-Based Intervention Models
- Data and Analytics for Evidence-Based Public Health

Session 7: Health Impacts of Climate and Environmental Change

- Global Health Challenges in a Climate Change
- Sustainable Practices in Healthcare and Life Sciences
- Biodiversity, Ecosystems and Emerging Diseases
- Toxic Exposures: Air, Water and Public Health Risks
- Climate Resilience and Adaptive Health Systems
- Climate change and Infectious disease

Session 8: Food Security, Nutrition and Sustainable Agriculture

- Cutting-Edge Agricultural Biotechnology to Enhance Global Nutrition
- Building Sustainable Food Systems to Promote Health and Wellbeing
- Role of Nutrition in Prevention and Management of Chronic Diseases
- Innovations and Barriers in Public Health Nutrition
- Global Food Safety Governance and Regulatory Challenges

Session Tracks/Call for Papers

ICLSMHA-2026 offers a diverse array of session tracks designed to provide comprehensive insights and foster discussions across various disciplines.

We invite researchers, academicians and professionals to submit their papers. Topics of interest include, but are not limited to:

Session 9: Regenerative and Stem Cell Therapies

- Stem Cell Therapies for Tissue and Organ Regeneration
- Next-Generation Gene Therapy Techniques
- Scalability and Ethics in Stem Cell Production
- Applications of 3D Bioprinting in Regenerative Medicine
- Clinical Translation and Commercialization of Stem Cell Therapies

Session 10: Advanced Imaging and Biophotonics

- Emerging Trends in Advanced Medical Imaging
- Optical Innovations in Biomedical Research and Diagnostics
- Nanotechnology in Bioimaging and Drug Targeting
- Functional Imaging in Neurosciences and Oncology Research
- Computational Tools for Analyzing Complex Imaging Data

Session 11: Advances in Biomechanics and Biomedical Technologies

- Innovations in Prosthetics, Orthotics and Assistive Devices
- BioEngineering Breakthroughs in Modern Surgical Practices
- Frontiers in Tissue Engineering and Regenerative Therapies
- Biomedical Devices for Chronic Disease Management
- Robotics in Rehabilitation and Elderly Care

Session 12: Neurosciences and Mental Health

- Advancements in Brain-Computer Interfaces and Human Cognition
- Innovations in the Treatment of Neurological Disorders
- Interdisciplinary Approaches to Tackling Anxiety and Depression
- Mental Health: Challenges and Strategies in Workplace and Educational Institutions
- Neurogenetics and Behavioral Science

Session 13: Emerging Infectious Diseases and Integrated Health Strategies

- Antimicrobial Resistance (AMR): Strategies for Global Health Security
- Zoonoses and Biodiversity: Protecting Health Through Conservation
- One Health in Action: Bridging Ecosystems, Animals and Human
- Innovations in Vaccine Science: From Bench to Global Delivery
- Rapid Response Mechanisms in Global Health Emergencies

Session 14: Reproductive, Maternal and Pediatric Health

- Innovations in Maternal and Neonatal Care
- Breakthroughs in Fertility Science and Reproductive Technologies
- Next-Gen Pediatric Care: Tools, Treatments and Technologies
- Foundations of Health: Early Childhood Nutrition and Growth
- Global Perspectives on Youth and Adolescent Wellbeing

Session 15: Behavioral Sciences and Healthcare Psychology

- Behavioral Strategies in Managing Chronic Illness
- Impact of Stress on Mind-Body Health
- Psychosocial interventions for Chronic Disease Care
- Behavioral Economics: Shaping Healthcare Decisions
- Technology-Enabled Mental Health Care

Session 16: Healthcare Systems and Management

- Smart Solutions for Efficient Hospital Management and Care
- Global Perspectives on Health Economics and Resource Allocation
- Data Analytics and Health Informatics
- Strategic Leadership and Governance in Healthcare
- Standards, Accreditation and Quality Assurance in Healthcare

For more details on session and tracks: https://iclsmha.cerada.in/

Note: ICLSMHA-2026 Proceedings will be submitted to the Web of science Book citation index (BkCI) and Scopus for evaluation and

Submission Deadlines

Register early for ICLSMHA-2026 to enjoy exclusive benefits.

Early Bird registration	Abstract submission	Full paper submission	Final Registration
28th Feb 2026	30th Apr 2026	07th May 2026	07th May 2026

Submission Guidelines

Present your research at ICLSMHA-2026 and publish your research work

CONFERENCE PROCEEDINGS

All accepted and registered abstracts will be published in the Conference Proceedings with an ISBN Number, ensuring global accessibility and recognition.

JOURNAL PUBLICATION

Submit your high-quality paper to various internationally indexed journals including Scopus and Web of Science, to increase the visibility and impact of your research.

ABSTRACT SUBMISSION GUIDELINES

- Describe the original work in the abstract.
- Write in English, one paragraph, up to 150 words.
- Include a brief biography (template provided).
- Submit as an MS Word (.doc or .docx) document.
- Title, Author's Names, Affiliations should be centered, underlining the presenting author, with corresponding author email.
- Acknowledge receipt via email within three working days.

FULL PAPER SUBMISSION GUIDELINES

- Submit if your abstract is accepted and registration fee is paid.
- Manuscript: 6-8 pages, double-column format, in English, free of grammar and language errors.
- Properly named tables, figures, and images.
- Title, Author's Names, Affiliations centered, underlining the presenting author, with corresponding author email.
- Abstract not more than 150 words.
- Minimum 5 keywords in lowercase italics, separated by commas.
- Include country in affiliations.
- Structure: Background/Introduction, Motivation and Objectives, Statement of Contribution/Methods, Results, Discussion and Conclusion, Funding statement, Acknowledgements.
- References: Min. 35, in Chicago style, consecutively numbered, cited in text using numbers in square brackets.
- Submit as an MS Word (.doc or .docx) document.

info@cerada.in +91 8072381719 https://iclsmha.cerada.in/

Publication in Journals

At ICLSMHA-2026, our rigorous publication process ensures that your research is vetted, validated and made accessible to a global audience. From submission to publication, we prioritize excellence and integrity.

SCIE Journals Publication

Opportunity in Premium publishers Journal which are indexed in SCIE

- Regular Issue

Scopus Journals Publication

Opportunity in Journals which are indexed in Scopus

- Regular Issue

Web of Science Publication

Web of Science subscription-based service gives you accessto numerous databases with citation data for academic areas

Publication in Conference Proceedings

Scopus Proceedings

For scientific journals with the world's largest abstract & citation database for successful journals, conference proceedings

Web of Science | CPC

The most powerful research engine, guided by the legacy authors of the world's first citation index of various academic disciplines

Proceedings & Publications

All Accepted and Registered papers will be published on Conference proceeding with Unique ISBN

Note: ICLSMHA-2026 Proceedings will be submitted to the Web of science Book citation index (BkCI) and Scopus for evaluation and indexing purposes (T&C)* apply.

Note: All accepted and registered papers will be published in relevant Scopus/WoS journals.

Registration Fees

PHYSICAL (ONSITE) PARTICIPANTS	EARLY BIRD (USD)	FINAL (USD)
Academicians/Delegates/Research scholars/PhD Candidates	380	420
UG/PG Students	360	400
In-Person attendance/Listener (Non-Presenter)	230	250

VIRTUAL (ONLINE) PARTICIPANTS	EARLY BIRD (USD)	FINAL (USD)
Academicians/Delegates/Research scholars	150	200
UG/PG Students	100	150
In-Person attendance/Listener (Non-Presenter)	90	100

***Scopus Publication (Additional Cost will be included)**

Kindly visit the website for more details https://iclsmha.cerada.in/registration-fees

Bank Details (For Bank Transfer) Offline Payment

Beneficiary Name:	Confworld Educational Research And Development Association
Bank Name:	HDFC Bank
Account Number:	50200097123575
IFSC Code:	HDFC0000124
Swift Code:	HDFCINBBCHE
Branch:	Kilpauk, Chennai, Tamil Nadu, India

After Payment Download the Registration Form fill it and send to info@cerada.in

Be a Part of the Change

Empower yourself with knowledge, connect with passionate individuals, and contribute to meaningful progress. Together, we can create pathways to gender equality that transform societies. Mark your calendar and join us at ICLSMHA - 2026 where empowerment meets action.

Register Today!

Don't miss your chance to be part of this prestigious event. Register early to secure your spot and take advantage of early bird discounts. Visit our website at { https://iclsmha.cerada.in} for more details on registration and travel arrangements.

Contact Us
